Dear Pagoda Pacers,

I cannot thank you enough for your 2026 Membership contribution. We received your gift of \$100.00 on 4/6/2026. Your generosity and commitment are inspiring as we head into the Trail's 91st Anniversary year. We are very grateful for your support.

Every penny of your donation goes toward fulfilling the Conservancy's mission to maintain, preserve and protect the Horse-Shoe Trail. We have no employees, only volunteers. We exist through your support.

Your donation goes a long way toward funding trail maintenance and improvement projects throughout the year. It also ensures that we have funds available when opportunities arise to protect portions of trail through easements on private land.

Your gift amount, shown above, includes your Membership and any Trail Maintenance, Trail Preservation and Unrestricted Fund donations as a combined total. Please know that we hold these funds separately and any contribution to a specific fund can, and will, only be used for that purpose.

I have included our website, email and Facebook addresses in the heading of this letter. We love to hear about our members' experiences on the trail and welcome those who wish to volunteer.

Sincerely,

Lynn
